

Careers information and guidance for everyone!

Introducing

Mrs Richards (Helen)
Your careers advisor

Mrs Hall
Assistant head teacher
(options, careers etc!)

Find out more

**Year
7**

Hello &
welcome

'What is available to me?'

Raising your awareness of careers and the advice and support that is available.

Plus STEM and
Software Cornwall
assemblies!

- Introduction to careers library and meet your careers adviser in an assembly (now!)
- Displays, job of the week, handouts, pop up careers shop
- I Love My Job programme (assemblies from different job sectors)
- Careers Fair
- Individual guidance for students requiring or requesting it
- In Mentoring and careers space: career exploration and careers activities and challenges
- Introduction to Careerpilot
- Why Work workshop
- In lessons: lots going on, including the Icould Buzz quiz, CV development and letters of application (IT lessons)

'Do I have the skills to make the right decisions?'

Making sure that you are well prepared for your options choices!

Plus STEM and
Software Cornwall
assemblies!

- Support in making options choices with careers advisor and a member of SLT (probably Mrs Hall!), including attendance of your carers adviser at parents evening/events and options evening
- The opportunity to meet with local post-16 colleges at parents evening/events and options evening
- Careers carousel for all year 8 students (opportunity to meet a wide range of employers). Supported by an assembly and preparation in mentoring
- Careers Fair
- Trip to Plymouth University TBC
- In PHSE lessons: Careers Pilot – Job sectors and decision making
- LMI workshop with an enterprise co-ordinator
- Lots of support in lessons as you make your options choices!

Year 9

Our Goal

'Am I developing transferable skills and resilience?'
