Dear parent or student,

At Humphry Davy School, we need to use and store some information about you (or your child). In this instance, the information we require consent for is related to photographs and video of performances, events, fixtures and other school related activities, which helps us to celebrate achievements and share updates with parents and the wider community through publicity and marketing.

We would like your consent in order to do this, and use the information in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.
