## Consent form for processing personal data

### Video & Photos until December 2022

Dear parent,

At Humphry Davy School, we have a wide range of exciting activities and events that your child will have the opportunity to take part in throughout their time here. Due to Data Protection regulations, we need to ask for you to consent on their behalf whilst they are in Y7 to enable us to take photographs and video of performances, events, fixtures and other school related activities. This means that we can celebrate achievements and share updates with parents and the wider community through publicity & marketing in print and electronically inside and outside of school.

We would like your consent in order to do this and use the information in the ways described above. If you're not happy for us to do this, that's not a problem – we will accommodate your preferences.

Please complete the sections below and return our school reception.
